General Election, Tuesday, November 3, 2026

I'M VOTING UNION.

When billionaires rig the rules against us, we fight back. These candidates stand with working Kansans for fair pay, safe jobs, and **the freedom to form a union and care for the people we love.**

THE MISSION FOR 2026

BREAK THE SUPERMAJORITY

Anti-worker politicians hold a two-thirds supermajority in the Kansas Legislature. That lets them override any veto and pass whatever their donors hand them, and working families pay the price.

Flip a handful of seats and that blank check is gone. Every race on the back of this page is part of that math.

WHY TRUST THIS LIST?

HOW AN ENDORSEMENT IS MADE

It starts with you, and ends on your ballot.

1. **ELECT YOUR DELEGATES**
   Union members elect delegates to their area's Central Labor Council.
2. **VET THE CANDIDATES**
   Delegates dig through voting records and public statements, then interview candidates face to face.
3. **VOTE TO RECOMMEND**
   The council votes on which candidates to carry to the statewide convention.
4. **THE FINAL VOTE**
   Delegates from unions across Kansas make the call at the KS AFL-CIO COPE Convention.

★ **LABOR ENDORSED**
A democratic majority of Kansas union members stands behind every name on this flyer.

WICHITA · USD 259 VOTERS · LABOR SAYS: YES, YES

WICHITA PUBLIC SCHOOLS BOND

There are two bond questions on your ballot, and labor is asking for a yes vote on both. Together they rebuild and repair schools across Wichita, picking up where the 2008 bond leaves off.

VOTE YES

QUESTION 1

Rebuilds Truesdell, Black, McLean, and Chisholm Trail, renovates Cessna with a K-8 addition, preserves East and North High, builds a new Future Ready Center at East, puts HVAC in gyms and other learning spaces, and fixes traffic flow at select schools. It picks up where the 2008 bond leaves off, so **your tax rate does not go up**.

VOTE YES

QUESTION 2

Rebuilds Coleman and Adams, moves Irving into Horace Mann, and upgrades South, Northwest, West, and Heights. About $4 a month on a $200,000 home. Question 2 only counts if Question 1 passes, so **vote yes on both**.
